MOODY'S

Eureka Stamp

for Perforating into CHECKS, DRAFTS, &c., the amount for which they are drawn, to prevent alteration.

The check is moved forward by the upward action of the lever of the machine.

Price, \$20.

J. G. MOODY, P. O. BOX 6,028.

ROOM 68 TRINITY BUILDING, N.Y.

 Call or Send for Circular. 

From "THOMPSON'S BANK NOTE REPORTER,"

May 11, 1871.

MOODY'S EUREKA STAMP, for the prevention of alteration in checks, drafts, &c., is a new and ingenious invention for baffling the operation known as "raising," which is now of daily occurrence, and by means of which bonds, bills of exchange, promissory notes, stock certificates and other securities are "raised" from the lower to the higher denominations in a manner that defies detection. To prevent all such tampering with monetary paper, the Eureka Stamp *perforates* the amount drawn; and thus offers an effectual safeguard, while it does not mar the face of the instrument. The perforations cannot be obliterated nor filled up.

3. For conveying a passenger to the new Alms-house and returning, one dollar; and for every additional passenger, and returning, fifty cents.

4. For conveying a passenger to Fortieth Street, and remaining half an hour, and returning, one dollar and a half; and for every additional passenger, fifty cents.

5. For conveying one passenger to Sixty-first Street, and remaining three-quarters of an hour, and returning, two dollars; and for every additional passenger, fifty cents.

6. For conveying one passenger to Eighty-sixth St., and remaining one hour, and returning, two dollars and a half; and for every additional passenger, seventy-five cents.

7. For conveying one or more passengers to Harlem, and returning, with the privilege of remaining three hours, five dollars; or to the High Bridge, with the same privilege.

8. For conveying one or more passengers to King's Bridge, and returning, with the privilege of keeping the carriage all day, five dollars.

9. For the use of a hackney coach or carriage, by the day, with one or more passengers, five dollars.

10. For the use of hackney coach or carriage, by the hour, with one or more passengers, with the privilege of going from place to place, and stopping as often as may be required, one dollar an hour.

11. In all cases where the hiring of a hackney coach or carriage is not, at the time thereof, specified to be the day or hour, it shall be deemed to be by the mile.

12. For children between two and fourteen years of age, half price only is to be charged; and for children under two years of age, no charge is to be made.

13. Whenever a hackney coach or carriage shall be detained, excepting as aforesaid, the owner or driver shall be allowed after the rate of seventy-five cents an hour.

14. For attending a funeral within the lamp or watch district, two dollars; and to the Potter's Field, three dollars; which charges shall include the necessary detention and returning with passengers.

15. Every driver or owner of a hackney coach, or cab, shall carry, transport, and convey in and upon his coach, carriage, or cab, in addition to the person or persons therein, one trunk, valise, saddle-bag, portmanteau, or box, if he be requested so to do, for each passenger, without charge or compensation therefor; but for every trunk or such other articles above named, more than one for each passenger, he shall be entitled to demand and receive the sum of six cents.

§ 22. In case of disagreement as to distance or price, the same shall be determined by the Mayor.

§ 23. The owners of any hackney coach or carriage shall not demand or receive any pay for the conveyance of any passenger, unless the number of the carriage, and the rates of fare, shall be fixed and placed in a manner hereinafter directed by Section 30 of this chapter, at the time such passenger may be conveyed in such carriage.

§ 24. The owner or driver of any hackney coach or carriage shall not be entitled to receive any pay from any person from whom he shall have demanded any greater price or rates than he may be authorized to receive, as aforesaid.
